

AT THE FOOT OF THE CROSS

C **G** **Am** **F**
From Richmond to Atlanta and all points in between
C **G** **F** **G**
A battle raged in conflict that all men might be free

C **G** **Am** **F**
A noble man on horseback a leader strong and true
C **G** **F** **G**
Led his men with vision for in his heart he knew
C **G** **Am** **F**
That every man needs freedom whether wearing grey or blue
C **G** **F** **G**
No matter what their color they need salvation too

C **G** **Am** **F**
A soldier saw him kneeling there with a humble slave set free
C **G** **F** **G**
And asked how he could pray beside such a man as he
C **G** **Am** **F**
He turned and gave a tearful look and said this man is lost
C **G** **F** **G** **C**
And all the ground is level at the foot of the cross

CHORUS

Am **Em** **F** **C**
At the foot of the cross you'll find the blood He shed
Am **Em** **F** **G**
At the foot of the cross for mankind He bled
F **G** **Am** **F**
The one who knew no sin became sin to save the lost
C **G** **F** **G** **C**
All the ground is level at the foot of the cross

C **G** **Am** **F**
From Heaven to Jerusalem to the cross at Calvary
C **G** **F** **G**
A battle raged in conflict that all men might be free

C **G** **Am** **F**
The Son of God left Heaven because of love strong and true
C **G** **F** **G**
He came to earth to die for us for in His heart He knew
C **G** **Am** **F**
That every man needs freedom and cleansing through and through

C G F G
No matter what their color they need salvation too

C G Am F
A soldier saw Him hanging there beside a thief condemned

C G F G
Who wondered if His mercy would even pardon him
