

SOMEONE

D5 **Bm**
Someone has a daddy and they love their daddy so
G **A7** **G** **A7** **D**
Time is steady passing and daddy's getting old
D5 **Bm**
Daddy won't you listen, for the time is running out
G **A7** **G** **A7** **D**
It could be this very hour, daddy won't you listen now

CHORUS

G **A7** **D**
Are you someone, someone's been praying for
G **A** **D**
Someone loves you enough to take the time
Bm **F#m** **G** **D**
To fall upon their knees praying Father won't you please
Em **D/F#** **G** **Asus – A7**
Find a way before too late for my daddy to believe

You may have a brother, and only God can know
The hours you've spent praying for, the brother you loved so
And you may be that brother, thinking time is on your side
Your soul will be required of you, who knows, this very night

CHORUS (BROTHER)

You may have a daughter, or a son that you love so
And they both have long forgotten, the faith their mother sowed
And you may be that son or daughter and you've wandered far away
The time has come to now return, now before to late

CHORUS (FAMILY)

CHORUS TAG

G **D/F#** **Em** **D/F#** **G** **A7** **D**
Please find a way before too late for that some...one....to be...lieve!
